The 38153 R/C Starter Set on this page and the 38152 R/C starter set on the facing page feature an R/C track power controller and a pocket remote, for easy wireless walk-around control of train speed and direction, as well as accessory power and emergency stop. This R/C controller can also operate other locos, with no loco modifications.

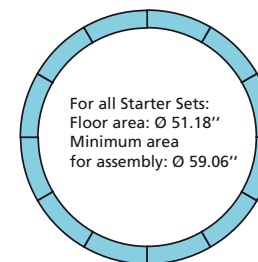

38153 Halloween Hauler R/C Starter Set

Contents 38153:

- 1 x 25 Ton Diesel Loco
- 2 x Ore Cars
- 12 x 35211 R1 (Curve Track R1 600 mm / 23.6")
- 1 x 35270 Track Power Clamp
- 1 x 35285 Track Clips, 14 pcs.
- 1 x R/C Controller
- 1 x R/C Pocket Remote
- 1 x Safety-Approved 120 V Transformer 24 V DC / 45 VA

For all Starter Sets:
Floor area: Ø 51.18"
Minimum area
for assembly: Ø 59.06"

III / 2019

The 37154 Circus Roncalli Starter Set is completely battery-powered and includes a pocket remote for easy wireless walk-around control of train speed, direction and emergency stop.

6x 'AAA' batteries (not included, high-capacity rechargeables are recommended) give up to two hours run time. The front of the engine hood opens up for easy access to the quick-change battery clip inside.

Developed in exclusive cooperation with Circus Roncalli

PIKO

Our 35028 R/C Analog Track Power Set gives you big power, with the convenience of an easy-to-use pocket remote. Run any track-powered train, with no loco modifications!
SEE PAGE 127 of the main catalog.

Our 38112 D&RGW Starter Set comes complete, including a Mini-Mogul loco with Smoke and Analog Sound, two passenger cars, a circle of PIKO G-Track, and the convenience of PIKO R/C control with a pocket remote. SEE PAGE 3

Like the real things, our GE 25-Ton diesel models are small but mighty. PIKO has brought you the first-ever factory-equipped, battery-powered, radio-controlled locos, with a convenient pocket remote included. You can run them anywhere!
SEE PAGES 38-39 of the main catalog.
